- 7) The parties shall comply with all other stipulations and agreements recited in their Rule 26(f) planning report and previous progression orders that are not inconsistent with this order.
- 8) All requests for changes of deadlines or settings established herein shall be directed to the undersigned magistrate judge, including all requests for changes of trial dates. Such requests will not be considered absent a showing of due diligence in the timely progression of this case and the recent development of circumstances, unanticipated prior to the filing of the motion, which require that additional time be allowed.
